

ANNUAL REPORT

2025

See that you do not despise one of these little ones. For I tell you that in heaven their angels always see the face of my Father who is in heaven. Matthew 18:10

NELA Youth is a mobile, Christ-centered nonprofit dedicated to mentoring and restoring some of the most vulnerable children in our region—youth who have endured abuse, neglect, severe poverty, violence in the home, parental incarceration, foster care instability, and even human trafficking. These are children who have been overlooked, unheard, and forced to grow up far too quickly. We meet them right where they are, bringing hope into places marked by brokenness and guiding them toward healing and identity in Christ.
